

Corn Hole Tournament Sponsorship Form

August 25th, 2024

12:00 PM

Deep Roots Wine Market and Tasting Room

Roswell, GA

The Max Gruver Foundation is fighting to raise awareness and educate young people to understand the importance of looking out for each other, stepping up when a situation is getting out of control, and ending hazing.

Max Gruver died due to alcohol hazing in his fraternity on Sept. 14, 2017. He graduated from Blessed Trinity Catholic High School and was a well-respected young adult in the Roswell community. Help us put an end to hazing!
